The Highlander

PUBLISHED BY THE SENIOR CLASS

Highland Park High School

DALLAS, TEXAS

TEXAS HIGH SCHOOL PRESS ASSOCIATION

NATIONAL SCHOLASTIC PRESS ASSOCIATION EST. 1921

Foreword

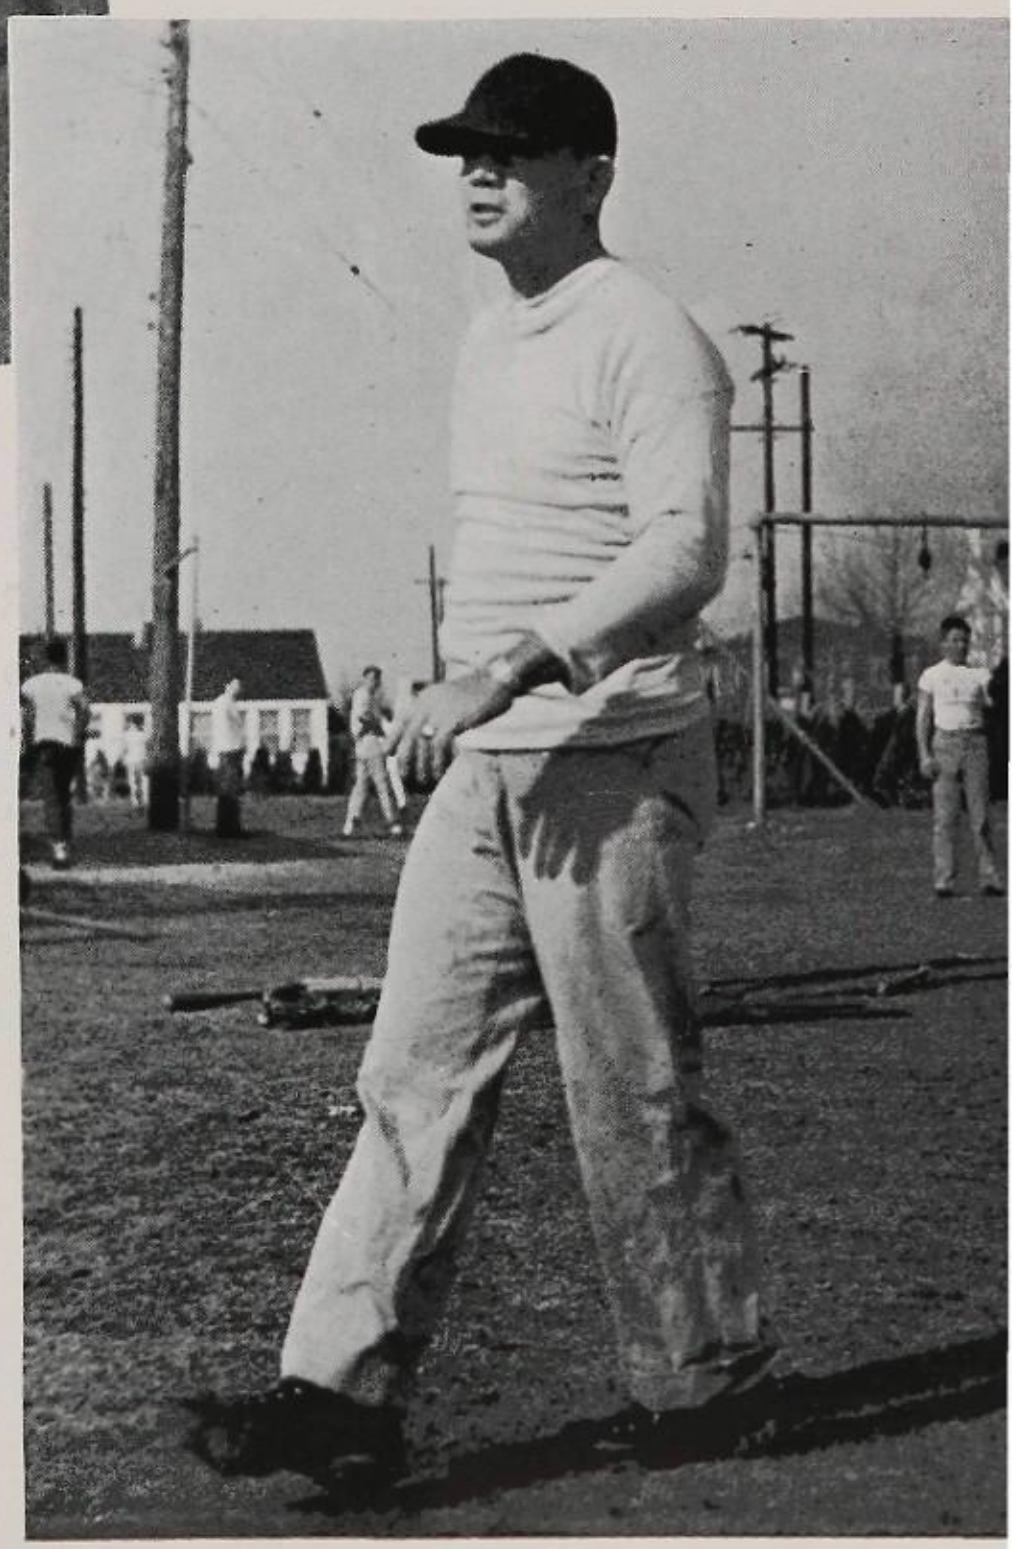
As our theme for this year we, the members of the 1948 Highlander Staff, have chosen to feature the Scotch. While the wearing of kilts is a thing of the past, we have tried our best to capture some of the admirable qualities of our Scottish heritage—steadfastness in purpose, courageous, loyal, reticent, canny, and a "close" relationship—in our life at Highland Park High School.

NEIL MARSHALL
Editor

GROVER ELLISOR
Business Manager

"From scenes like these, old Scotia's grandeur springs,
That makes her loved at home, revered abroad."
—Robert Burns.

Dedication



To Ernest Kennedy, our popular mentor, whose special interest in our various activities has endeared him to all Scots, the Senior Class dedicates the 1948 Highland.

"The social, friendly, honest man,
What'er he be,
'Tis he fulfils great nature's plan,
And none but he."
—Robert Burns.

THANES

"My loved, my honored, much respected friend."
—Robert Burns.

Alma Mater Song

All hail to thee, dear Hi Park High,
The school we love so dear;
We'll shout thy praise to all the world,
Which echoes far and near.
Thy fame and splendor we'll uphold,
Thy goodness we'll proclaim;
We'll honor and we'll cherish thee,
Dear Hi Park High.

The leading organization of Highland Park is the Student Council whose members are chosen for dependability and willingness to serve. Membership drives for the Red Cross, P.T.A., and Dad's Club are among the main activities of the council. Publication of "The Clan", student directory, is an annual project. Sponsoring the bus caravan to Wichita Falls and the drive to obtain a Scottie dog as mascot were successful undertakings.

Our Student Council was represented at the Southern Association of Student Government's Convention in Corpus Christi and at the Texas Association of Student Councils. The Student Council is to be congratulated for its good work, which could never have been accomplished so well without the help of its sponsors, Miss James and Miss Smith.

Highland Park regards the National Honor Society as the highest goal of accomplishment for its students. Not only attaining a good scholastic average but also leadership, character, and service secure a place in this society for the students at Highland Park. All sophomores and juniors endeavor to attain the required qualifications so that when they are 3A's they may become eligible for membership. Three per cent of the 3A class, seven per cent of the 4B class, and fifteen per cent of the 4A class are elected each semester by the faculty members.

National Honor Society members are given the privilege of serving as ushers at special assemblies and senior activities. The activity cards of all students attending Highland Park are kept up-to-date by this society. To the boy and girl of each 4A class receiving the highest achievement scores during their high school career are given the "H"-Blanket Awards by the National Honor Society.

Felice and Tootie survey results of a successful drive.

"As a member of Hi-Lites I will support the purposes of my organization. I will strive to keep my mind, body, and heart clean; to be tolerant of others at all times; and to be honest with everyone; but most of all to be honest with myself." With this pledge the lassies of Hi-Park offer their initiative and talents to the largest club in our school. For efficiency and convenience in working, each girl chooses three committees upon which she would enjoy serving.

The first of these groups is the Friendship Committee, which is in charge of making the 2B's and transfers feel at home. Next is the Social Committee, which plans the club's dances, parties, and co-sponsors with the Hi-Y a get-acquainted danc for the new 2B's. Each Saturday the Welfare Committee sends four or five girls to Mexican missions to supervise recreation. Club members are entertained at each meeting with a variety of talents arranged for by the Program Committee. The Red Cross Committee sponsored many projects this year: boxes for overseas, food for the the underprivileged, and entertainment for the veterans. The Bulletin Board Committee has charge of displaying on the Hi-Lite bulletin board posters and "what not" about the socials and projects of the club. Efficiency is shown by the Hi-Lite Brigade which keeps a record of every lassie who graduates from Hi Park.

Leaders of the Hi-Y—fall and spring officers.

Mr. Ruddell	Sponsor	Mr. Ruddell

Twenty-six years of enthusiastic support from a loyal membership have made the Highland Park Hi-Y Fellowship Club the largest of the Hi-Y Clubs in the nation. These clubs are sponsored by the National Y.M.C.A., and their purpose is to "create, maintain, and extend throughout the school and community higher standards of Christian character." A series of inspiring weekly lectures and performances has kept constantly before each member the following ideals: Christian character, good citizenship, high scholastic standards, and Christian fellowship.

In collaboration with the Hi-Lites, the Hi-Y sponsored a week of interdenominational programs on religious faith. The two clubs also sponsored a get-acquainted dance in September and a party in January to welcome the 2B's. The boys topped their social agenda with two more dances for the members of the Hi-Y and their dates.

Mr. Ruddell and Mr. Ledbetter, sponsors, plan a program with Gilson Scurlock and Ken Mighell.

Smiling journalists.

Miss Stewart	Sponsor	Miss Stewart

The Quill and Scroll is the international honor society for high school journalists. In order to belong to this group, it is necessary to do distinctive work on **The Bagpipe** or **The Highlander**, and to maintain a high scholastic standing, at least throughout the junior year. A recommendation for each prospective member must be made by a teacher or student connected with a school publication. This society, which was started at Highland Park in 1937, publishes **The Kiltie**, the school handbook.

Mrs. Miller . . . . . Sponsor

The Travel Club, which was organized in 1939 by Mrs. I. O. Miller, its sponsor, does both educational anl welfare work. Programs of the monthly meetings consist of discussions, lectures, and movies on foreign countries. Its membership is composed of those students who wish to form a better understanding of our foreign neighbors and to help them in any way possible.

The two main projects for this year were the sending of boxes of food and clothing to the needy peoples of devastated Europe and the Christmas party for the entertainment of the patients at the Lisbon Veteran's Hospital. The club has its social side too, in picnics, hayrides, and other parties given by the members.

A great amount of praise is due the Art Club for its fine work in making our school life brighter by exhibits in the wall cases, illustrations in **The Bagpipe**, and colorful scenery for the school plays. Members are very versatile and are often called upon to help many departments of our school when posters or other artistic exhibits are needed. These up-and-coming artists work with watercolors, pastels, clay, plastics, wood, leather, and many other mediums with which they produce many beautiful examples of art. Lively parties several times during the year are on the social calendar of the members. Under the able leadership of its sponsor, Miss Nancy Ella Dial, the club has become an important organization of our school.

Marilyn Bodden . . . . . Treasurer
Mary Jane Johannes . . . . . Reporter
Harley Willey . . . . . Reporter
Dick Hawley . . . . . Librarian
Miss Edna Mae Simmons . . . . . Conductor

After starting off its initial concert with the theme of the three B's, the 1947-48 Highland Park Orchestra has adopted last year's descriptive adjectives—bigger, busier, and better. From last season's roster of forty-six, the orchestra has increased its membership to sixty.

Original scripts, costumes, and scenery made the preparation of the Christmas and radio shows, special assemblies, graduation exercises, and ensemble work a goal in production all year long. In addition to these programs, a truly symphonic note has been added by the Hi Park band and orchestra intramural solo contest. Outstanding honors were awarded as a result of try-outs for the All-State Orchestra in Waco on February 11th through February 13th at the Texas Music Educators Association conference.

On March 5th the members, their dates and parents gave a banquet in honor of the graduating seniors. Each of the eighteen seniors was awarded a gold pin for service. This banquet has become an annual event planned and executed by the Orchestra Mothers Club.

Individual and group practice, the determination and good sportsmanship of its members, and the inspiration of the orchestra mothers and conductor have raised the orchestra's quality to an all time high.

Senior honor guests at the banquet.

A Cappella Choir

Whitman once said "Great art needs great audiences." Highland Park has long been noted for its great audiences, so during 1947-48 a worthy musical organization had its beginning. Under the dirtction of Miss Pope and Mr. Bennett, the Highland Park A Cappella Choir was founded early in the year and included Girls' Chorus and Boy's Glee Club. Although the main interest of the group turned toward light Fred Waring arrangements, more serious works of Handel and Palestrina received excellent treatment. Civic club meetings, radio programs, assemblies, the Highlander Music Festival, and other school functions filled the choir's crowded schedule. During the second semester regular evening practices augmented the before-school vocal attacks of the first semester. Talent was abundant and promising—better choral work for Highland Park in the future.

This group, which was organized last year, is composed of sophomores, juniors, and seniors. The purpose of the group is to lay aside prejudices and think reflectively on problems of student interest. By pooling their knowledge the group has reached many interesting conclusions. Members are asked to add to their own knowledge by reading, listening, and observing. The club went on the air once last fall and has accepted another radio half hour for the spring. Some of the most interesting subjects have been: What qualities make a great person? Is it necessary for the movies and the radio to glamorize life in general and crime in particular? How can we reach a better understanding of Communism as Russia interprets it? and What is the individual attitude needed for world peace? Most rousing of the subjects has been a discussion of Mr. Truman's Bill of Civil Rights. An outstanding guest leader, Mr. Gresham Mormior, rector of the Church of the Incarnation, lead the subject, What are the elements of a successful marriage?

A Mexican supper party just before the Christmas holidays and a spring picnic are among the social affairs of these Knights of the Round Table.

Rapid increase in membership of the Junior Historical Society since its organization a few short years ago is proof of the fact that Texas sons and daughters are also staunch supporters of the great state about which their parents love to brag. A varied and ambitious series of programs arranged by Mrs. I. O. Miller, club sponsor, were given throughout the year.

Keen and lively interest has been exhibited in the club's latest project, the purpose of which is to help secure funds for the building of an annex to the Alamo to house famous documents on Texas history. The documents include land grants, maps, and early history books, which will be donated by Dr. William E. Howard. This Year's agenda included a Christmas program for the Travel Club and a delegation sent to Austin for the annual meeting of the Texas Historical Society in the spring.

Hall of Fame

The Highlander Music Festival

Each spring since 1946 Highland Park has graciously played host to the numerous schools from Texas, Arkansas, Oklahoma, and Louisiana who have come to Dallas for the Annual Highlander Music Festival. This event embodies the coordinated work of assembled music judges and critics who carefully judge the choruses, orchestras, bands, pep squads, and marching bands for recognition. The spotlight of the festival is focused on the imperial queen chosen by Highland Park students to reign over the royal court consisting of queens representing each competing school. Highland Park's pride and enthusiasm in this Music Festival is proven by its all out effort and cooperation in making the visiting schools feel at home. This year over 3500 students from 52 schools enjoyed the genuine hospitality so enthusiastically provided by the students and faculty of Highland Park.

Jan of the House of Scurlock, Queen of the 1948 Highlander Music Festival.

School Favorites are chosen by a vote of the student body.

Our Hall of Fame is composed of students outstanding in service in extra-curricular activities, school organizations, and publications.

FOOTBALL

RUNNERS-UP FOR STATE CHAMPIONSHIP

Scotties Drop Sunset in Opener 14-7

Cashing in on their opportunities, the Scots defeated a hard fighting Sunset Bison team in their first game of the '47 season, 14-7. Russell took first honors on a 31 yard touchdown pass from Robertson, and followed up by kicking the extra tally. Rippey added six points more with a plunge to pay dirt from the five. The ball hawking of Snyder and the sterling play of the entire line greatly aided Hi Park's cause.

Magnificent stand of the inspired Blue and Gold

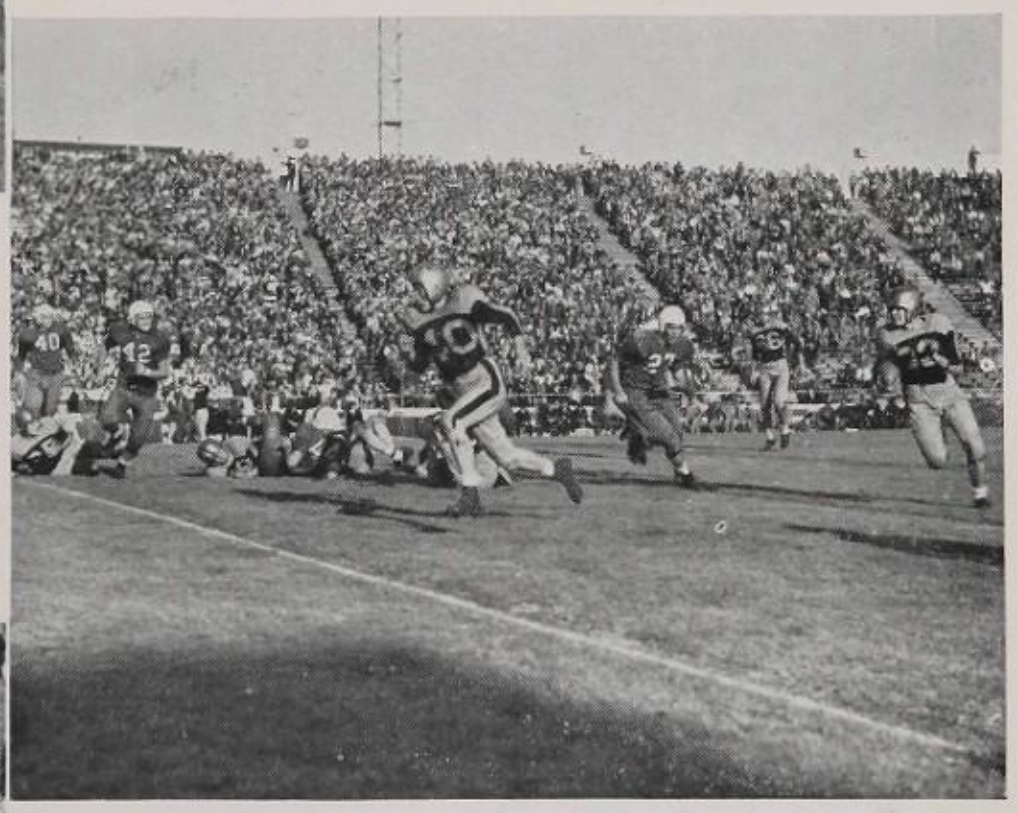
Paschal Noses Out Highland Park 7-6

A close decision was lost by the Scots to the Paschal Panthers at Farrington Field, Cowtown, by the margin of one point. Russell, Snyder and Rippey alternated in slamming the line with Russell carrying over from the two. The try for extra point was low. Paschal tied the score with a 65 yard pass play and went on to win by kicking the ball squarely between the uprights.

Russell heaves one as Rippey places a block where it will do the most good.

Highlanders Rack Up 20-6 Win over Sherman

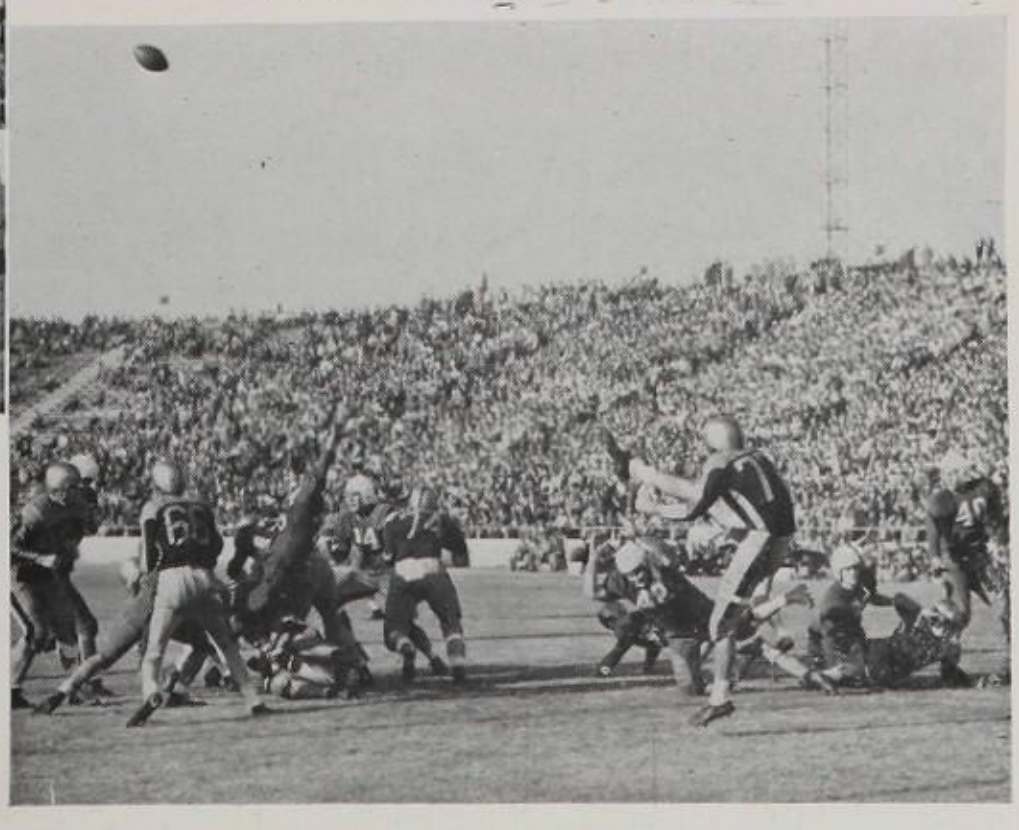
The boys in blue and gold bounded back from defeat the previous week to rack up 20 points against the Bearcat's 6 in Highlander Stadium. Touchdowns: Russell, nine yards off tackle, Rippey 66 yards through guard, Robertson, 10 yards on a quarterback sneak. Irish, Draper, and McConkey gave the opposing backs plenty of trouble, while Maxwell, McJunkin, and Ehrhardt showed up well for the reserves.



Chrisler rounds end with the goal line in sight.

Scots Lose to Forest 13-0

Unable to click consistently the Scotties dropped a 13-0 decision to the Forest Lions. Fumbles, interceptions, and a blocked kick were costly to the team.

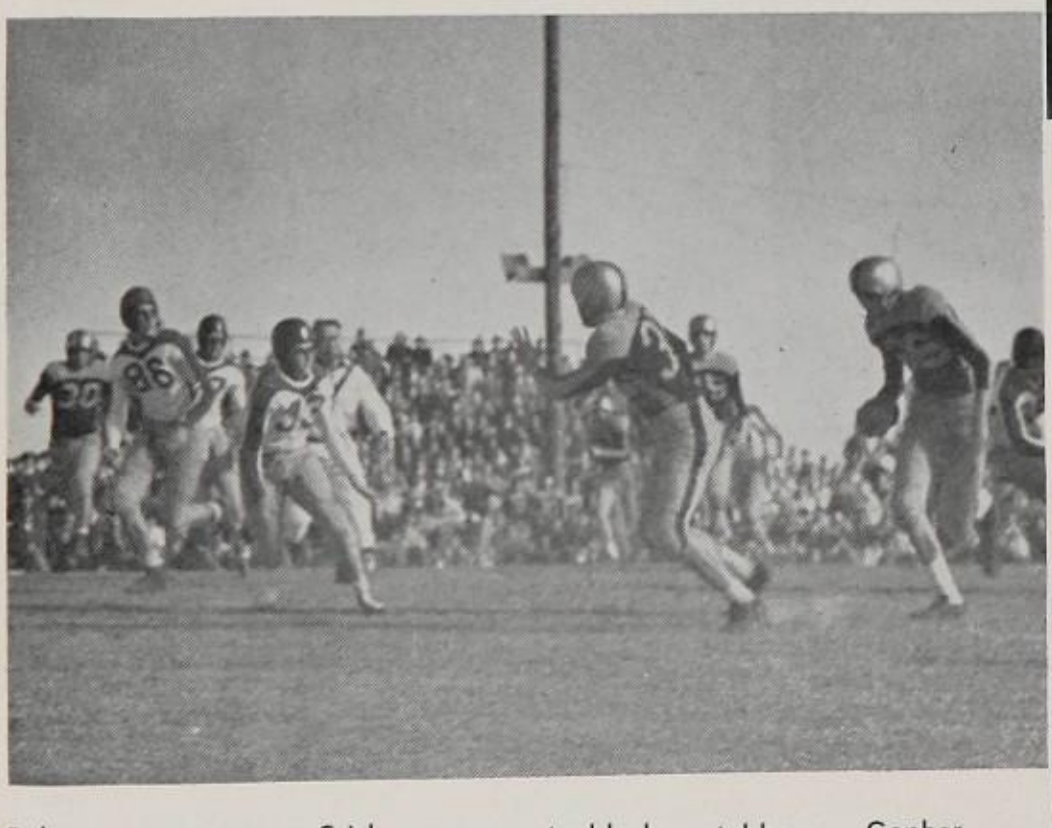


Corky gets off a booming kick as mighty Odessa topples.

Try for extra point at Grand Prairie. Was it good?

Avalanche Bests Borger on Safety 2-0

The Highlanders after narrowly missing three scoring opportunities in the second period finally produced a safety. The play occured when end Bill Hill rushed back Bice of Borger and blocked his attempt to kick out of danger. Later Joe Rowe saved the day by blocking a Borger field goal



Robert_on runs on as Crisler prepares to block a stubborn Gopher.

attempt. Irish, Daniel, Rippey, Robertson, Draper, McJunkin, and Crisler played well for the Scots.

Wichita Falls 48, Hi Park 0

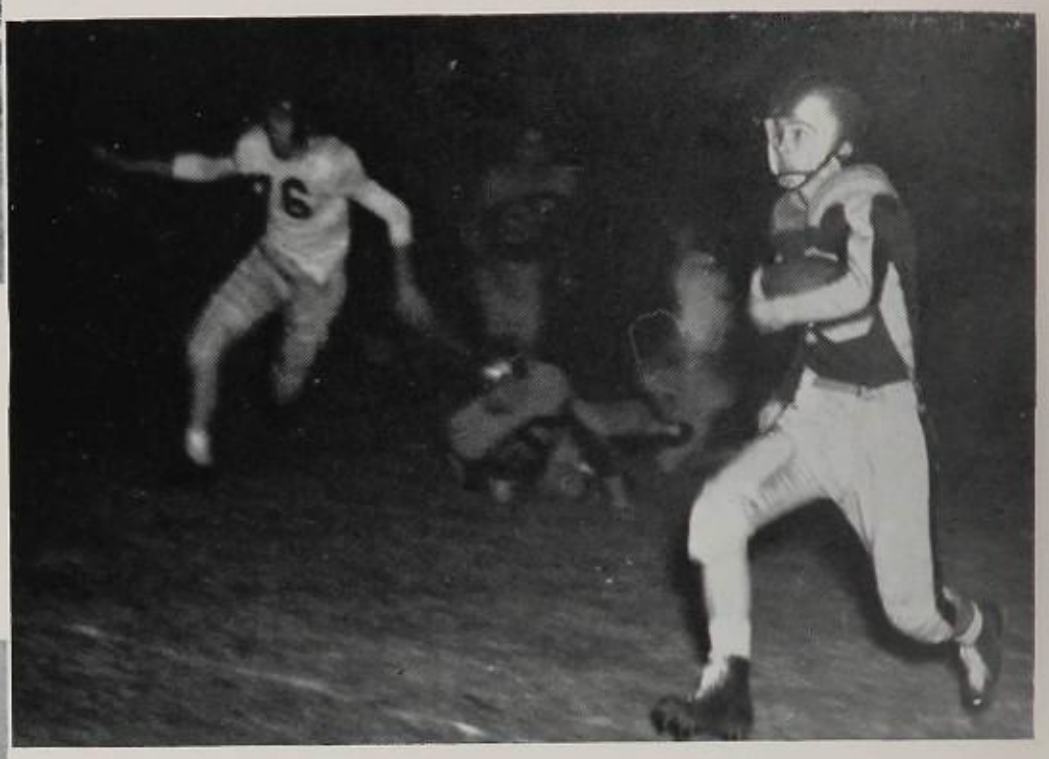
Law of averages.

Russell goes through a Yellowjacket's nest.

Scots Smash McKinney Lions 28-0

Coming back with a potent ground and air attack the blue and gold opened defense of their district 6AA grid title by plowing McKinney under. Long runs by Russell, Rippey, and Crisler, touchdown passes from Robertson to Hill, punting of Snyder, and a Lion kick that was blocked by Baird highlighted the game. Russell converted after all four touchdowns.

Boker gets away for a good gain.



Golden Avalanche Mauls Sulphur Springs 41-0

Cashing in on a truck'oad of paydirt, the Scots took the Wildcats for a 41-0 ride. Touchdowns: Crisler (2), Hill, Rippey, Boker, and Russell one each. Russell converted five out of six times for the extra points.

Scots Corral Denton Broncs 13-0

Earning their way into the state championship playoffs for the seventh straight year Hi Park whipped the Broncs

Remember this? Wet, wasn't it?

13-0. With the help of runs by Robertson, Rippey, and Crisler; Russell stabbed over for 2 touchdowns and made the only extra point. The Bronc's ground and air play was stifled by the defensive work of Irish, McConkey, Maxwell, Hill, Cooper, and Rippey.

Highlanders Trip Grand Prairie Gophers

The Scotties captured the undisputed title to District 6AA by downing the Gophers 25-7 on turkey day. Russell, Rippey, Snyder, and Crisler tallied 6 pointers. Other performers were Robertson, Rowe, Hill, Maxwell, McJunkin, Ehrhardt, and Speer.

...cots Edge ... at One Each

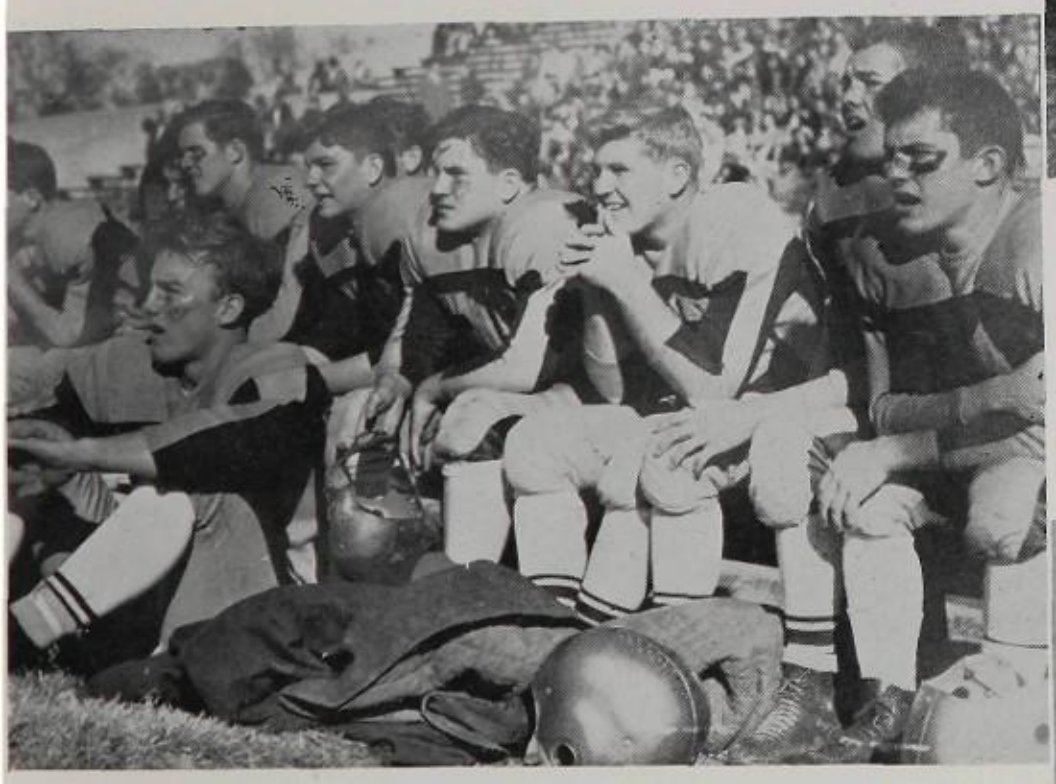
The Scotties nosed out the Paris Wildcats by the narrow margin of two first downs to one in the first round of the state play offs. Playing in a sea of mud, the team prevented a stalemate, when Russell skirted right end for the winning first down. Billy Hill obliged by administering a beautiful block on the oposing Paris end. The major aspect of the game was the great kicking duel between Russell and Reddell.

Rippey churns on as some silly boy tries to stop him.

Highlanders Outlast Arlington Heights 18-14

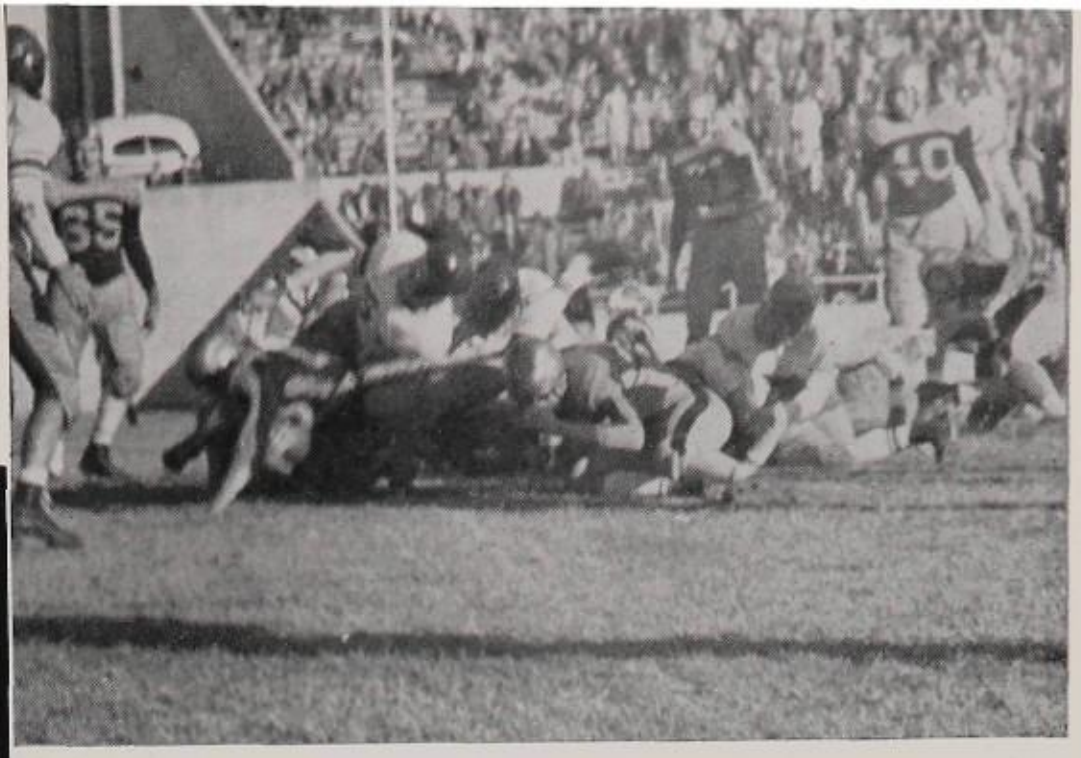
Smashing back in the second half the Scotties overcame a two touchdown lead held by the Arlington Heights Yellow Jackets to win by an 18-14 score. Passes to Hill and Russell by Robertson from the new triple wing accounted for two Scot touchdowns and set up the third which was pushed over by Russell from the six. Robertson, Russell, Hill, Rowe, McJunkin, Rippey, and Maxwell were outstanding for the Scots.

Highland Park's hopefuls look on during thick of fray.



Golden Avalanche Topples Odessa 18-6

Highland Park, called the "Cinderella Team of '47" startled the Texas gridiron world by blasting the once mighty Odessa team out of the state race, ending a twenty-six game winning streak of the Broncs. The alert charges of Coach Morgan entered the state finals for the third time in four years. From the accurate arm of Jerry Robertson, Russell and Rowe were able to gather in the three touchdown passes with the former snatching two and the latter one. Standouts for the game—Baird, Maxwell, Hill, Crisler, McConkey and Irish.

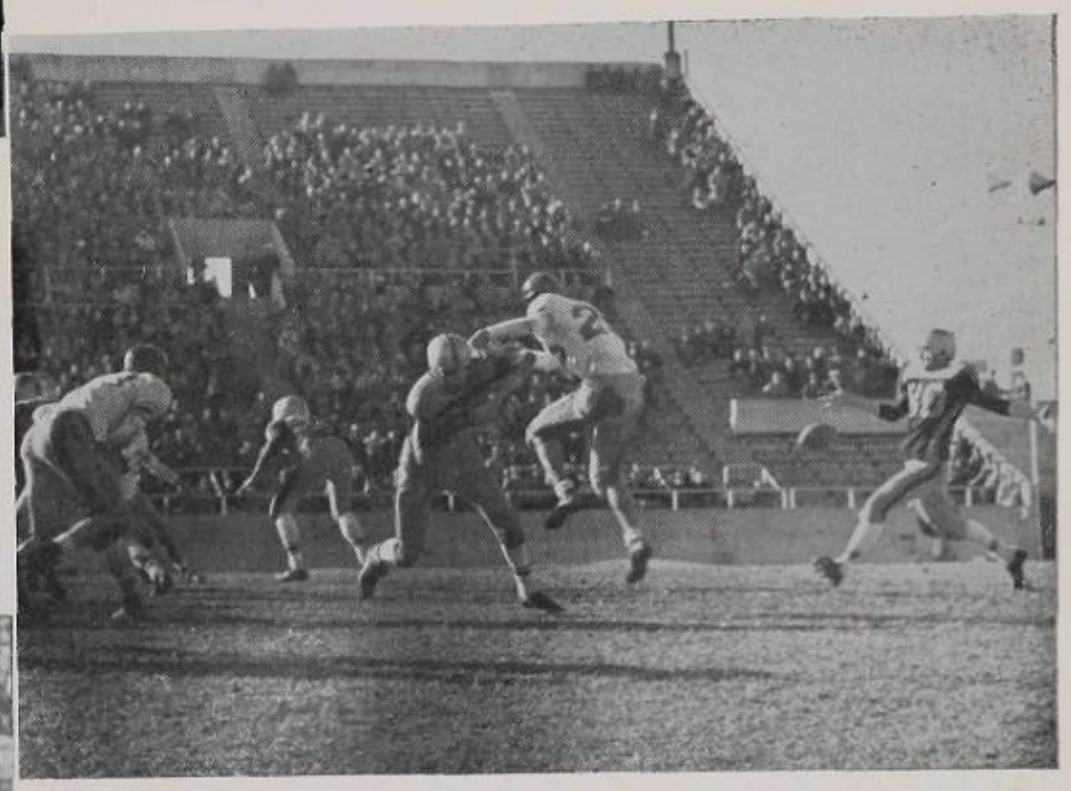


Highland Parks stout forward wall holds against yellowjacket's thrusts.

Hard Fighting Scots Lose to Brackenridge 22-13

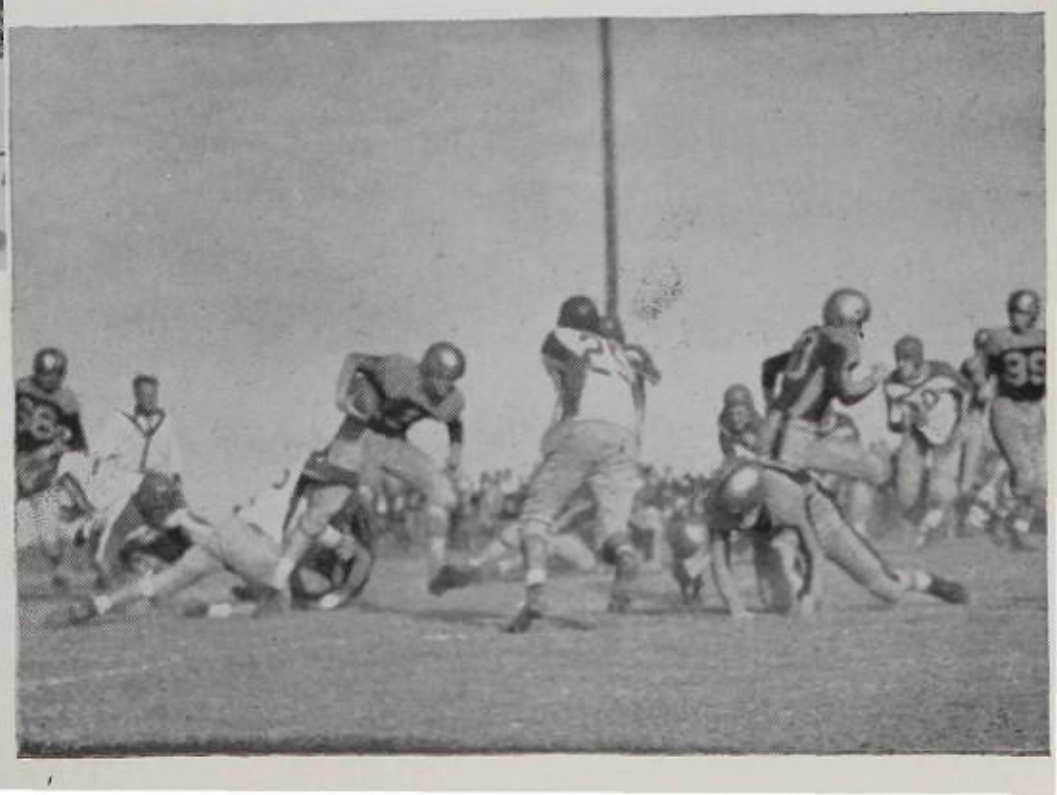
At Alamo Stadium, San Antonio, the hard fighting Scotties were overcome by the powerful Eagles 22-13. The first touchdown of the game was scored by Rippey, who after

Rusty gets away a good kick against Arlington Heights.



receiving a screen pass from Robertson, raced 30 yards for a T.D. Trailing at the half 7-6 the Eagles were able to push over two more touchdowns and a safety in the second half to make the score 22-7. The last Scot tally occured when Snyder gathered in a Robertson aerial.

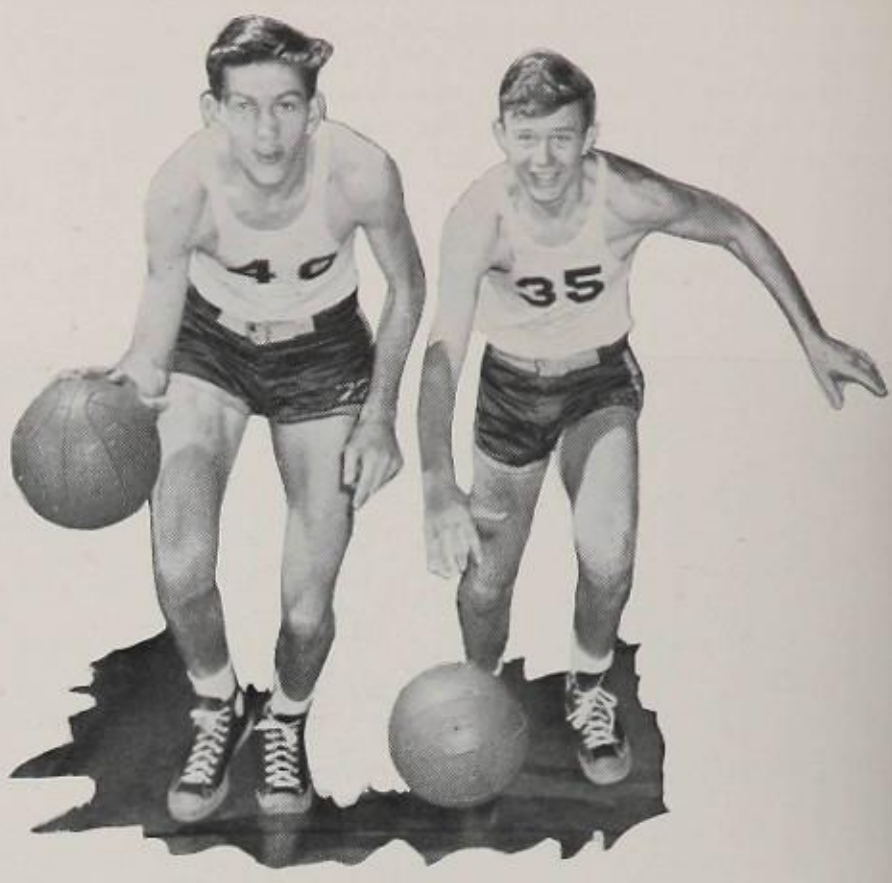
Gopher Stadium feels tramp of mighty Scots.



Basketball

Coach Ralph Binion

Under the able leadership of Coach Ralph Binion, Highland Park's 1948 basketeers won second place in the district 6AA race. The Scottie quintet, getting off to a slow start due to the prolonged football season, dropped its first two contests to Woodrow Wilson and Arlington Heights of Fort Worth. Entering the Dallas Invitational Tournament, they were eliminated by Fort Worth Polytechnic, the eventual winners. The Highlander five then defeated Forest, Denison, and Sherman in quick order to cop the consolation championship of the tournament. In the last two games before district play, the blue and gold avenged two of their earlier defeats by downing Woodrow Wilson and Arlington Heights.



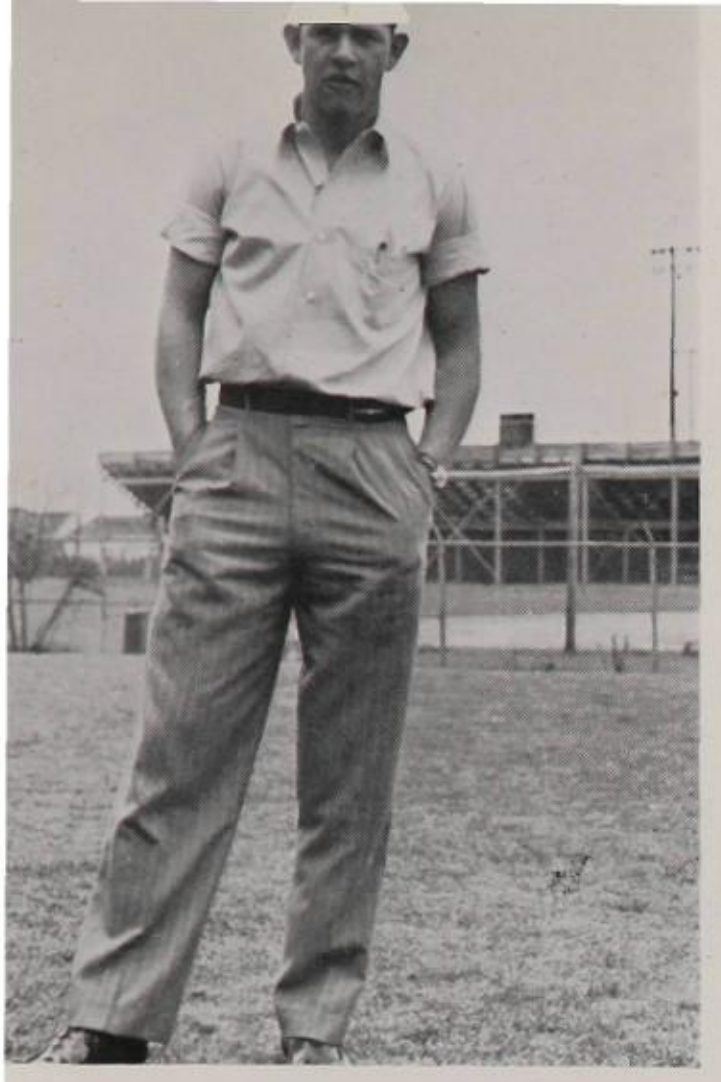
Co-captains Jerry Robertson, and Hal DeMoss

First row: Joe Wheeler, Joe Rowe, Co-captains Hal DeMoss and Jerry Robertson, Bill Hill, and Rusty Russell.

Second row: Johnny Garrity, Walton Miller, James Baker, Sam Vilches, and Bill Spies.

Third row: Fritz Brothers, Robert Walker, Jimmy Horned, John Maxwell, Pat Eldredge, and Bill Lynch.

Basketball



Manager Herbert McJunkin

Opening district play, the Scottie hardwood club defeated the Grand Prairie team. Momentarily slowed down by a loss to Denton, the team again picked up speed by taking the measurfe of McKinney and Sulphur Springs in quick order. The boys seemed unable to break the Denton jinx as they dropped their second contest in district play to this team. The Scottie lads finished off their season by defeating McKiney, Grand Prairie and Sulphur Springs.

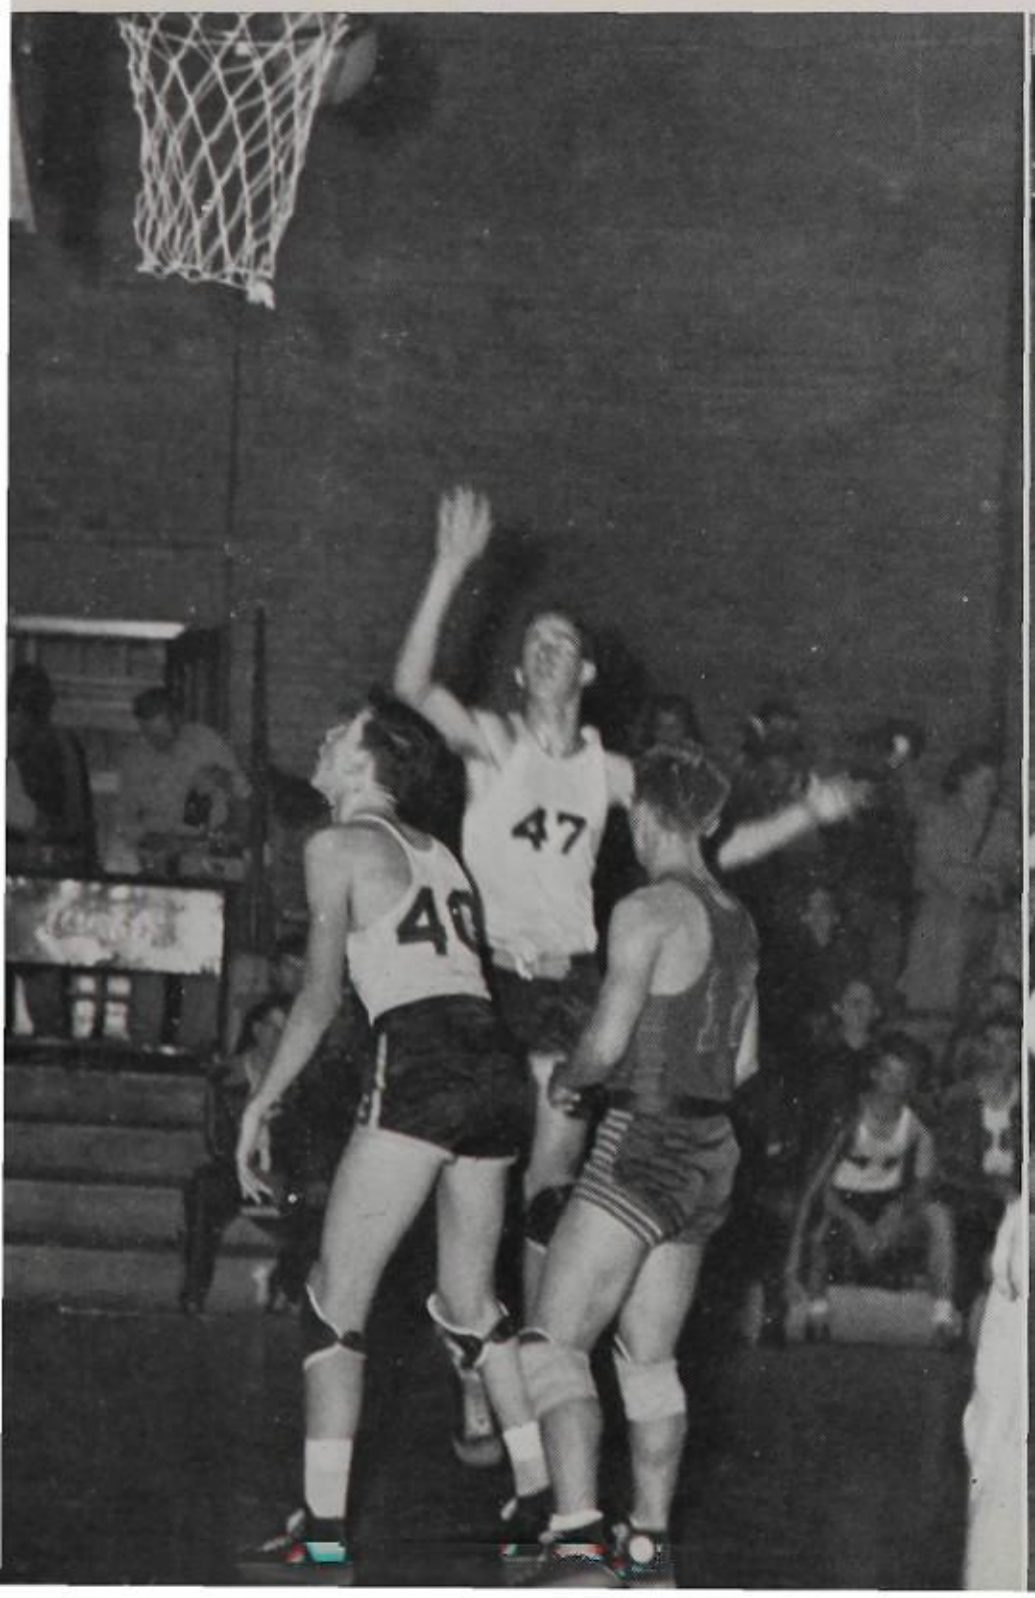
Outstanding on the team this year were Co-Captains Hal DeMoss and Jerry Robertson, Bill Hill, John Maxwell, Joe Rowe, Rusty Russell, and Joe Wheeler. These seniors were ably assisted by the entire team. Returning lettermen to next year's team are James Baker, Bill Lynch, Walton Miller, Bill Spies, and Sam Vilches.

Although sometimes outscored, the Scotties were never outfought throughout the entire season as the typical Highlander spirit came shining through.

We, the Scottie supporters, wish to express our thanks to Coach Binion and the entire team for a season's work ably done.

Manager Chester Bradley

Rowe sinks one for two points as Robertson looks on.



Maxwell puts away two more points for the Scotties.

Skippy Browning, member of All-American High School Swimming Team and champion in the following meets: SWAAU Indoor Diving, SWAAU Outdoor Diving, Southwestern Interscholastic Diving, National Junior AAU Low Board Diving.

Swimming

State and Southwestern High School Champions in 1946, and runner-ups in 1947, the Highland Park Scotties again entertain high hopes of copping the aquatic championship of Texas this year. Some very fine sophomore finds were developed and gave promise of being around for several seasons to help the Scottie cause in swimming. Sophomores Bobby Timmins and Leslie Beddoes were two reasons for optimism. Timmins in early eason swimming copped the Oklahoma A.A.U. boys high point trophy and Beddoes' rapid development caused Coach Wally to predict that he would be a main point getter for the Scotties in both the State and the Southwestern Interscholastic meets.

The Scottie free-style relay team is composed of Bob Snelling, Rogge Marsh, and Bobby Timmins as regulars, and John Collidge and Fonse Ragland alternately swimming one of the legs. With only the diving event as a certain first place for the Scots, the free-style relay is regarded as the event that will probably decide the fate of the Highlanders. Remarkable development in the breast stroke, accounted for Ben Street taking over the top spot in that event on the Scottie team. Jack Morris, middle-distance free-styler, teamed with Bobby Timmins to win valuable points for the Scots in all their meets in the 220 free-style event. Morris' points will add greatly to the team's chances. A well-balanced squad, a bunch of hard-working boys, give Highland Park great hopes of again winning the championships.

Coach Wally presents the championship trophy to Skippy.

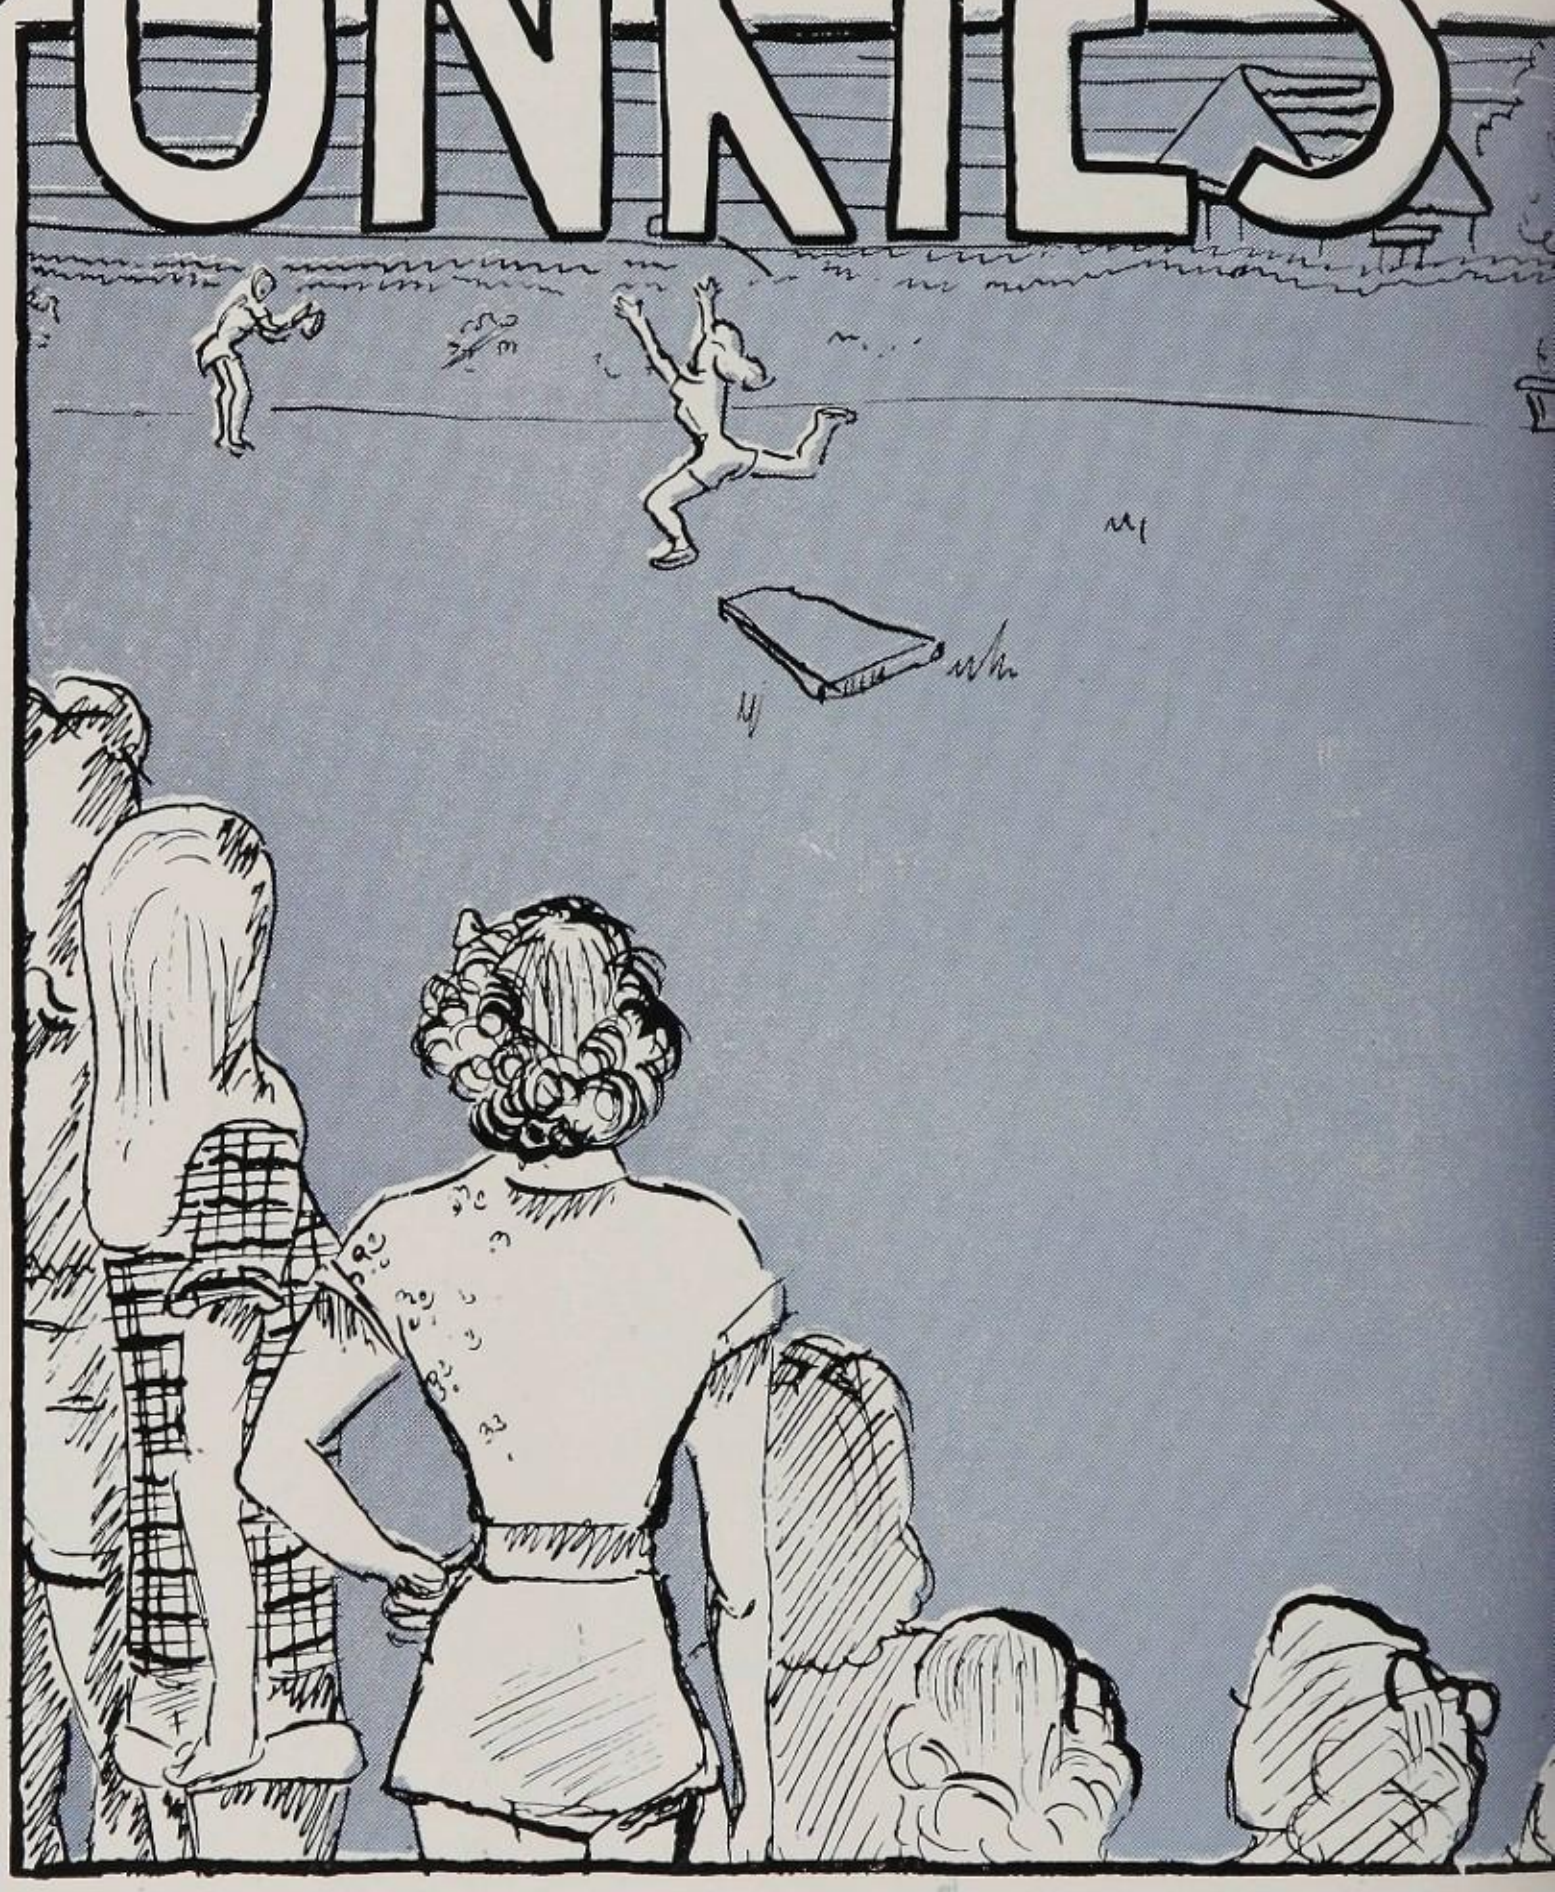
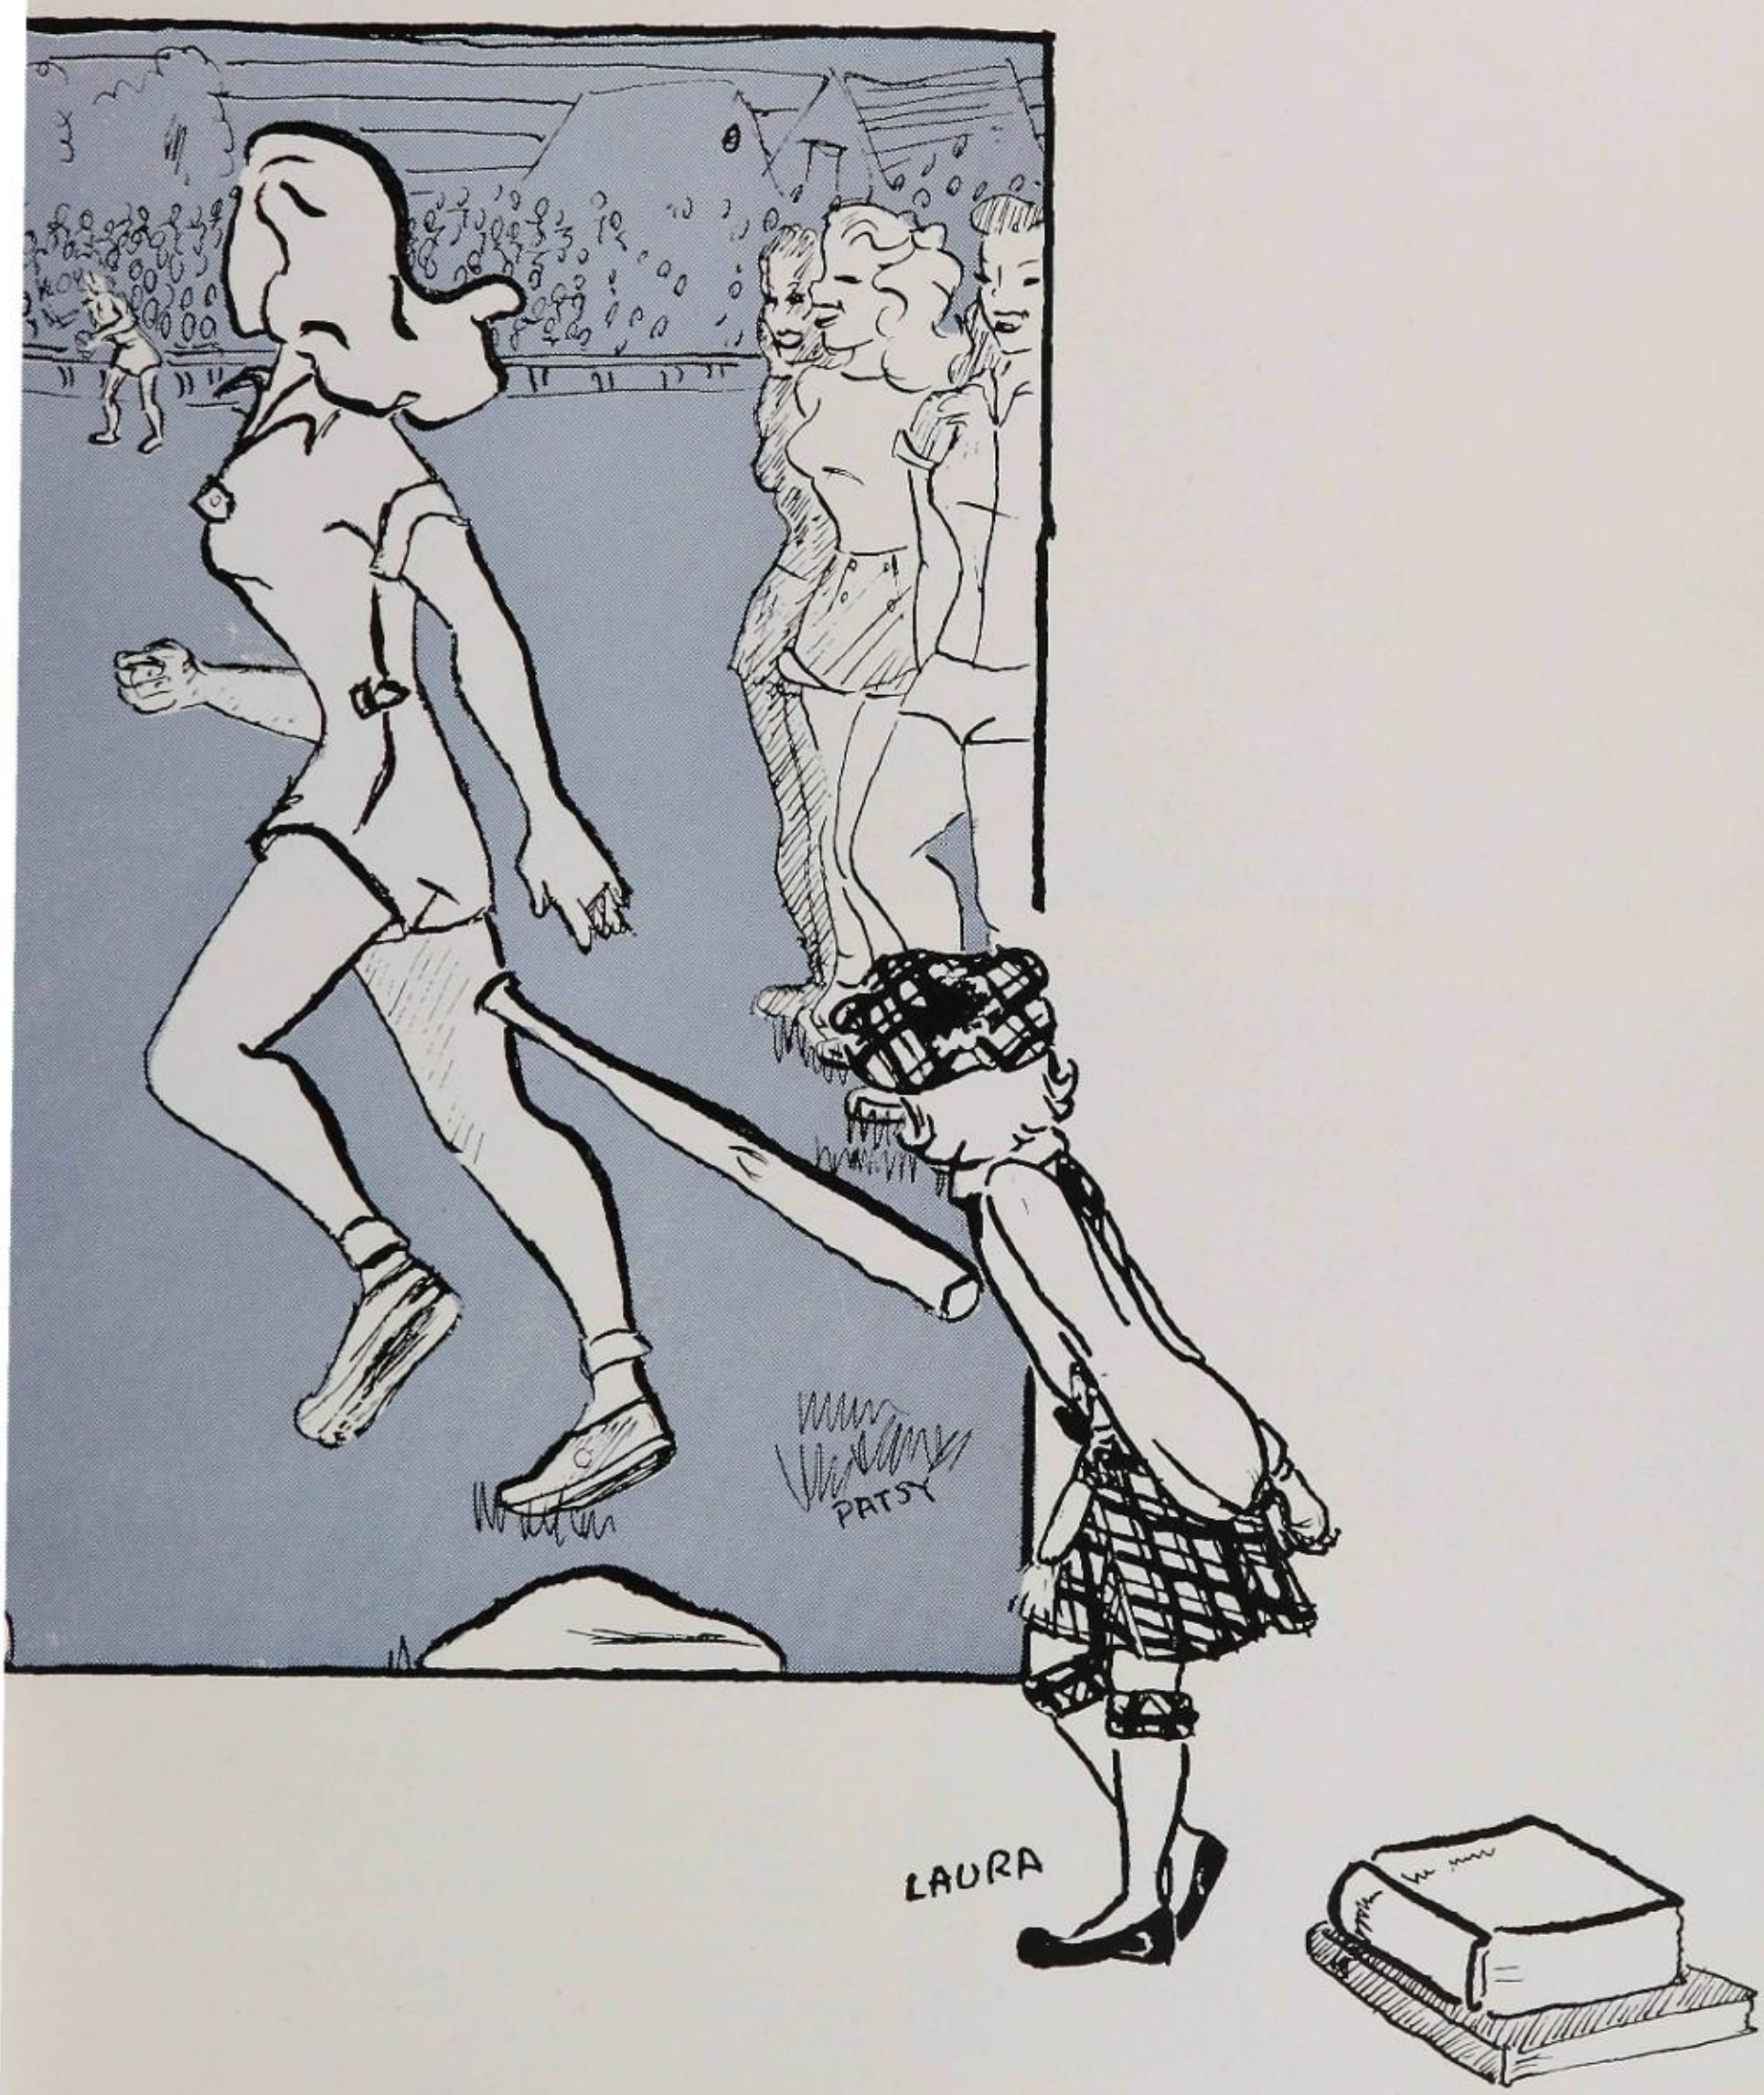
SPUNKIES





". . . her 'prentce han' she try'd on man,
an' then she made the lasses, O."
—Robert Burns.

Sponsors of girls' sports: Mrs. Hopewell, Mrs. Berry, and Miss Watson.

Girl's Sports

Highland lassies may forget who taught them math—if he taught them math! They may forget history or Latin or this or that. All of us are due to do a bit of forgetting, but who of us is going to forget girls' gym There's something sort of indelible about the yodeling that goes on in the "stalls"; about the cherished fingernails broken to the quick on the eve of the big date! There's much that's unforgetable about the whole nine months of competition and comradeship in the gym year at Hi Park.

Let us visit an early fall gym class. Picking our way cautiously through the heaps of bodies on the floor, we find that roll is being called and the class divided into teams. Soon, with loudly voiced complaints, two teams set forth under the blazing sun for the speedball field. Speedball allows the girls to soak up plenty of Vitamin D and get a bit of exercise. A few of the more athletic femmes, after a taste of speedball, invariably get delusions of football-grandeur.

Meanwhile, those less fortunate (?) teams who have to stay indoors and miss our Indian Summer sun, are treated to a rousing game of tenniquoits. Now, here is a game designed to wreck the nervous system. Picture a hard, round donut, revolving with cyclonic fury and headed straight for you. That's tenniquoits! It is my opinion that those astral Flying Discs of last fall were dreamed up by some overworked tenniquoit star.

The second six-weeks period is given over to posture and conditioning exercises. The heaps of bodies remain constant, but all else is changed. Contortions are now the order of the day, with intent to teach our girls how to stand and walk. Of course all of us know how to get about, after a fashion, but that's not enough. Hi Park girls must stand straight and walk well—posture and carriage, to you. Improvement is invariably noted in those able to walk after this strenuous training.

Next comes that general favorite, the fast-moving game of basketball. Boys may call our version pretty tame, but you don't see any loafing on the court when the all-stars play the class team. Practice in footwork, free shots, and crip shots, plus a few preliminary games always take place before the class tourneys begin.

Comes the spring term. What spring? Remember the genial Eskimo warmth and the non-existent sunshine of early 1948? Even the hardy Scots hovered indoors for volleyball. This game requires a certain talent for being in the right place at the right moment with two tightly clinched fists, preferably reinforced with stout brass knuckles (for hitting the ball, of course).

The art of do-si-do-ing and grand-right-an-left-ing revives with each recurring spring. "Up the river and 'round the bend, Meet your honey and back again" rings through the halls. Folk dances are borrowed from our Good Neighbors, too; tunes and steps from Scandinavia or Portugal, from Ireland or Mexico.

Back in the great outdoors and the stupefying heat (isn't this where we came in?), the girls battle furiously through softball during the final six weeks of school. Some may be deceived by this name—it's no game for softies. But, thanks to a planned and balanced program, there are few softies left in our gym classes at this stage. Alternating with the diamond sport is the watch-the-birdie game of badminton, which is just the dish for the agile and alert.

Believe it or not, some rugged individuals find even this schedule too light. For them, the Intramurals! These ardent ones play in Monday-Wednesday or Tuesday-Thursday leagues, and the winners from each league slug it out for the final victory. Furthermore, each of the five gym classes has an all-star and a class team, and these battle for the honor of the dear old class. Personally, we find it expedient to take Falstaff's view of honor and let the other gals do the fighting.

All this Atomic-Energy-on-the-hoof is guided, controlled and sometimes suppressed by three of Superman's blood sisters. The fact should rate them a seat in the United Nations Assembly, but they couldn't be spared at Hi Park. Too many girls need their instruction and guidance too acutely. Mrs. Elsie Berry, Mrs. Penelope Hopewell, and Miss Gynne Watson: WE SALUTE YOU.

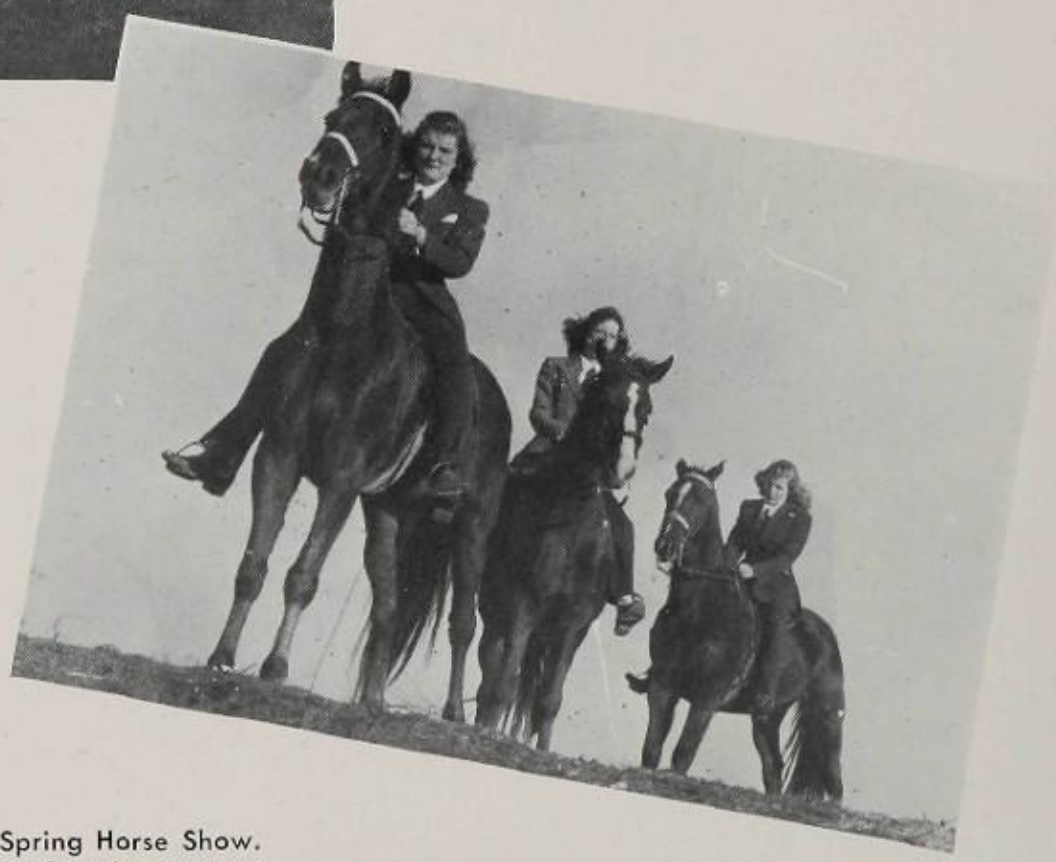
Riding Club

This is the story of the Horseback Riding Club. Or dare we call it Gab about the Galloping Gals?

Now in its third year and with a membership of 125, the Riding Club's avowed purpose is to "promote fun and fellowship and to provide wholesome recreation for its membership." Twice a week in groups of twenty, members ride the grand all-weather trails of White Rock Stables under the supervision of Tex Oddson, owner. Some groups are composed of advanced riders who are seeking to perfect their horsemanship; some are beginners who are seeking chiefly to stay on! Yes, you may learn from scratch in the Riding Club—or shall we say from bounce, bump and bruise? But, for advanced rider or beginner, the requisite of good sportsmanship is as necessary as good equestrienneship.

The officers of our ridin' lassies.



Betty, Cynthia, and Sarah hit the trail.

Top spot of the year goes to the Annual Spring Horse Show. Designed to give the girls opportunity to display their equestrienneship, to give them a chance for competition, and to acquaint them with the finer points of showing and judging horses, this event meets with the enthusiastic approval of club members and their parents. Several hundred interested spectators add to the gala occasion.

As part of its fun and fellowship program, the club and its sponsor, Mrs. Penelope Hopewell, promote various social functions throughout the year. A scavenger hunt, a swim, a backward dance, a slumber party, and a spring banquet have been on this year's calendar.

A showman calls this position "dismount".

A pause in the annual scavenger hunt.

R.O.T.C.

The fifth Infantry Regiment at Highland Park High School is under the able leadership of Lt. (S) U.S.N.R. Floyd Hightower, commandant, Col. Instructor Newman F. Casey, assistant commandant, and the attached army personnell. It is a unit of the Reserve Officers Training Corps, Junior Division, Army of the United States, under the direction in the Dallas and Highland Park High Schools of the 4523rd ASU ROTC, commanded by Lt. Col. R. L. Moses, PMS&T. Fifth Infantry Regiment is composed of a single battalion, with five companies and the Highland Park band. The Regiment instills in each cadet the desire to become a leader, to be led, and to prove his superior qualities of leadership and ability; it gives each cadet a thorough knowledge of the functions, skills, and practices of an army in peace or war; develops in each cadet patriotism, loyalty, and deep sense of responsibility to his country, flag, and his uniform. Under the leadership and direction of Colonel Instructor Emerson Boroughs the Fifth Infantry band has proved and distinguished itself as one of the best military and high school bands. Military discipline of the ROTC develops the attributes of cooperation, tolerance, and usefulness, and better prepares the cadet for the responsibilities and duties of a good citizen.

Band

Another very busy year has been completed by the Highland Park ROTC band. During the fall season the band played at the home football games and took trips to all the out of town games, and played an indispensable part in pep rallies. In between times the band prepared and played radio broadcasts, performed for the Dads' Club, P.T.A., and R.O.T.C. parades. Every member of the band prepared and played, with accompaniment, a solo in the sixth annual intramural solo contest in December, First division winners were awarded certificates.

At the Texas Music Educators' Association convention clinic at Waco in February, members of the band who went won, by trying out, two first chair and two second chair positions in the all-state band selected for the convention.

During the second semester a great deal of sight-reading of standard band literature was done and efforts were directed towards improving the general musicianship of the members. Assembly concerts at both senior and junior high school were given during the latter part of the year and concert selections were performed at the Highlander Music Festival. The Hi Park band served as a nucleus for the massed band at the festival. Shoulder cords and white gloves added to the dress uniform, improved the appearance of the band.

One of the high spots of the year was the annual band banquet at which the "H" band letter was awarded to all those whose grade was "A" or better.

Another CHAMPION

Yes, adequate lighting is a champion . . . a champion of better sight, better health and efficiency.

Now that school will soon be over, the same electric service which has provided you with good lighting at home and at school will help you to a bright future.

You'll always find dependable electric service playing a major role in the development of this city, a champion of better sight and better health.

A BASIC FACTOR IN TEXAS' INDUSTRIAL PROSPERITY

Dependable, low-cost electric power in Texas ... the kind that meets the rigid requirements of industry ... is one of the basic factors contributing to the state's rapid industrial growth. Strategically located generating stations supply power through vast networks of transmission and distribution lines to any location where plants and factories may use to best advantage Texas' abundance and diversity of raw materials and natural resources, excellent transportation facilities, intelligent native labor, and the many other advantages abounding in the Lone Star State.

Texas Power & Light Company pioneered transmission line service in Texas when it built the first high-tension line in 1913. Today it serves a 52-county area which includes the richest and most populous part of Texas and the chief distributing and commercial centers of the Southwest. Dependable, low-cost TP&L electric power service provides for today's needs of this rich area, and this Company is always planning and building for the ever increasing needs for future growth and industrial development.

Home Laundry

EAGLE COMPANY, INC.

3 What's the EASIEST way to get clothes cleanest?

In ten whole years of trouble-free service, the Bendix automatic Washer has saved more hard work for more housewives than any other washer in the world. Just put in the clothes, set the dial, add soap . . . and you're through. The Bendix thoroughly washes, rinses and damp-drys the clothes . . . *automatically* . . . even when you're not in the house.
